

Downtown Amherst Contra Dance Covid-19 Policy

Mission Statement

We intend to hold our dance in the safest way possible, keeping in mind that it is a dance, with people who are breathing close to one another. While we can't claim this is a "low risk" activity, we can reopen with the intention of making the dance as safe as it can be, within our ability. This includes vaccinations, masks, contact tracing, window ventilation, and reviewing local Covid severity levels. Dancers who attend come to the dance at their own risk.

- All attendees must wear well-fitted masks, and masks must be worn throughout the entire dance, whenever indoors, except briefly while taking a drink. Acceptable masks are N95, KN95, KF94, or better. Masks will be available at the front desk (donations are encouraged if you take a mask). Performers may request to wear a surgical mask (or no mask, only while playing a wind instrument) while on-stage, if they provide a day-of negative rapid test.
- All attendees must show proof of up-to-date vaccinations, including a booster received after September 1, 2022. DACD will keep a spreadsheet of names, emails, and date of last vaccination. Attendees will not need to show proof a second time.
- Medical exemptions: on a case-by-case basis, we will make an exception to the booster requirement IF you email valid documentation to downtownamherstcontra@gmail.com 48 hours ahead of time (e.g. a signed doctor's note on their practice's letterhead) AND show proof of a day-of negative rapid test at the door.
- Windows and doors will be kept open, and fans will be used to promote airflow throughout the hall to the best of our ability.
- Attendees experiencing COVID-19 symptoms within 7 days after a DACD dance are asked to contact DACD as soon as possible. DACD will let attendees know if there have been any reported exposures.
- We will be using the CovidActNow website, looking at both cases and hospitalizations for Hampshire and surrounding counties [source: https://covidactnow.org/us/massachusetts-ma/county/hampshire_county/?s=30581916]. The appearance of new variants may factor into whether we cancel future events.
- DACD will provide updated notice of its safety requirements and keep a copy at the dance. Policies may and will change as conditions change, and we will do our best to inform dancers as soon as possible of any changes.

Downtown Amherst Contra Dance Safety Policy

We aim to have participants fulfill our values at our events:

- **Inclusion:** We include attendees of all genders, races, sexual orientations, bodies, abilities, ages, and backgrounds. We actively work to offer events that create inclusive spaces and that do not present barriers to participation.
- **Safety:** We strive to create an environment where attendees can feel safe to express themselves and to have fun. Dancing should be done with consciousness of physical safety of self and other attendees.
- **Respect:** We respect each other as people. We believe that all attendees have something valuable to offer. We trust that our attendees will show this respect.
- **Fun:** We want to have fun! We love contra dancing as an art form, social experience, and recreational activity. We want to share that love with others, and we want to connect everyone with the joy of contra dancing.
- **Supporting new attendees:** We want the Downtown Amherst Contra Dance to be a place where new attendees can discover and experience contra dancing. We offer lessons, dances that are easy to learn, and we encourage experienced dancers to help new attendees learn.
- **Supporting students:** We aim to introduce students to contra dancing. We aim to foster connections between students and the broader community of local dancers. We aim to support local

student contra dance groups.

- Supporting local performers: We recognize the amazing music being created by local folk musicians and wish to provide opportunities for growth of local musicians and callers.

Anti-Harassment Policy

Participants should feel comfortable to tell any other participant to stop an action or behavior, without explanation required at the time. Any request to stop should be honored, whether a perceived miscommunication or not. Participants are welcome to bring comments, complaints, and/or disputes

to Downtown Amherst Contra committee members to help facilitate resolution.

Participants asked by Downtown Amherst Contra committee members to stop any harassing behavior are expected to comply immediately.

If a participant engages in harassing behavior, the Downtown Amherst Contra committee members may take any action they deem appropriate, including warning the offender, up to and including expelling them from the event and/or future events.

Photography Policy

For the purposes of the policy, "commercial use" is defined as use for sale, promotion, or other fundraising by a person, group, business, or non-profit group. This includes the photo in original or edited forms, regardless of how small a portion of the photo is used.

Examples of "non-commercial" use include sharing with friends on personal, non-commercial social media accounts and printing and viewing photographs for personal viewing

1. All subjects have the right to tell a photographer or dance manager to not be photographed. This excludes group shots, however, in that case, if the subject has objected, the photograph should not include their face. (Blurry crowd shot okay.)
2. All photographs shall be considered for non-commercial purposes only unless the photographer has obtained permission from the dance manager on duty, or the Downtown Amherst Contra Committee (or a

duly appointed representative) in advance.

3. A photographer may request the Downtown Amherst Contra Committee to have commercial use of a photo after the fact, but all visible subjects in the photo must be identified and permission obtained by the photographer.
4. An announcement by a Downtown Amherst Committee member must be made *in advance* of a photographer taking any photos taken for commercial use, so that all present know that they can opt out of having their face included on any photos intended for commercial use, also that they know who the photographer is. Additionally, a second announcement during break is recommended.
5. This photo policy shall be made available and kept up to date on the amherstcontra.org website.
6. An effort shall be made by the Downtown Amherst Contra Committee to communicate this policy with known local photographers.
